Situation Update, Uttar Pradesh : 24/05/2020

WHO has declared the recent Novel Corona Virus (2019-nCoV) epidemic as International Public Health Emergency of International Concern (PHEIC) under IHR (International Health Regulation). In this context, Over past 3 months, Uttar Pradesh Government has strengthened the surveillance and control measures against the disease and multiple departments have worked continuously to create awareness about the disease and preventive measures to blunt the pace of new infection across the State. State has also made large scale preparations to handle the influx of migrants from different states and augment treatment capacities in the State.

Till date, **469197** persons have been identified and tracked by District Surveillance Units, WHO-NPSP teams and supervisors of RNTCP. **340684** persons being tracked today are under home isolation, **2711** are admitted at different health facilities. **17297 contacts of various positive cases** are also being tracked and are in fine health. **125250** persons have completed 28 days of observation.

OTHER INFORMATION

132 patients have been declared Recovered and Discharged today taking the total number to 3406. 254 new patients have been confirmed as Positive since last evening.
